Engaging with your customers, vendors and partners with Vivaan-engage

Create your partner company as a branch within your Vivaan portal

1

CREATE PARTNER, VENDOR OR CUSTOMER AS A BRANCH

Create accounts under the branch (partner can create accounts on their own if neededd for your partner resources – using email ids as userid and share that with your partner resource.

2

CREATE INDUVIDUAL ACCOUNTS UNDER THE BREANCH

Your partners can access your portal using the email id/password

3

PARTNER EMPLOYEES CAN ACCES THE PORTAL

You can assign courses, share content and documents with your partner.
- ✓ Content and documents can be protected for view only if needed.
- ✓ 2. Partner feedback can be availed in document manager work-flow
- ✓ Partners can take tests and certify themselves on your products and services.

4

PARTNER EMPLOYEES CAN ACCESS YOUR TRAINING, DOCUMENTS AND CONTENT
